12/09/2005: John Grathwol and I visited this spill site on 12/08/2005 at around 4:10pm. The correct address is Boynton Place and Avenue X. Inspected the road and surrounding area. There is a parking lot for school buses very near to that site. 5 school buses were parked on the street at that location. No sign or mark of anti-freeze on the road. Took pictures. Spill can be closed. (Sadique) 12/12/2005: The spill is closed. (Sadique) "

Remarks: "bus leaked anti-freeze - unk further info - unk clean up "
